|                     |  |

**3. Confirmation of executed orders**

Unless otherwise agreed in writing, confirmation of executed orders will be sent via email.

**4. Norwegian Central Securities Depository (VPS) accounts and client depository accounts for foreign shares and/or other financial instruments**

- The Bank shall open depository/Norwegian Central Securities Depository accounts.
- If the Client already has a Norwegian Central Securities Depository account with another account registrar, please supply the account number:
- If the Client already has a foreign depository account with the Bank, please supply the account number:
- If the Client already has a foreign depository account elsewhere, please supply the account number:

Unless otherwise agreed, all financial instruments will be delivered to the Norwegian Central Securities Depository account/depository account listed above.

If the Client wishes the Bank to open a Norwegian Central Securities Depository account, the Client is deemed by having checked the options above and by signing the Client Agreement to have given the Bank authority to open such an account in the Client's name and with the Bank as registrar.

If the Client already has a Norwegian Central Securities Depository account with another registrar, the Bank shall be furnished with authority to trade on that account.

**5. Settlement**

The Client wishes the following means of settlement to be applied. Select **one** of the following:

- Custodian settlement. This assumes that the Client has or will enter into a custodianship agreement with a Norwegian custodian bank or similar institution.
- Net settlement. All contract notes with the same settlement date and settlement currency will be aggregated, and the net amount will either be paid into the Client's bank account or paid by the Client to the Bank.
- Client account. The Client will deposit an amount with the Bank. The Client may buy and sell shares up to the amount deposited, such that there is at all times an outstanding bank balance in the Client's favour. Unless agreed otherwise, client assets will be held separately from the Bank's other assets in a separate client bank account. Specific agreement is required for this type of settlement.

**6. Settlement currency**

Select one of the following three options:

- Trades in foreign currencies not to be converted
- All trades to be converted to NOK
- All trades to be converted to (specify currency):

**7. Authorisations**

The following persons/companies have authority to submit orders and give payment instructions on behalf of the Client:

| Name | Type of authority |
|------|-------------------|
|      |                   |
|      |                   |
|      |                   |
|      |                   |
|      |                   |
